Please visit our Design Studio to see all currently available options and specifications for Model 3. [https://www.tesla.com/fr\\_FR/presskit#model3](https://www.tesla.com/fr_FR/presskit#model3)

#### SITUATION:

You work as a sales advisor at Tesla and have a meeting with a potential customer who is hesitating to buy your Model 3 mostly because of the base price of the car. Prepare your arguments to convince him/her and satisfy his/her needs;

Use the following hints;

- Its autonomy and the battery charging rate
- The delivery time /availability
- The after-sales service / maintenance
